20 May 2022

Dear Parents/Carers,

It has been yet another busy week in school. The Y5/Y6's have spent the week at Culmington Manor trying their hand at canoeing, climbing, high ropes and raft building to name but a few! If you haven't had chance to see the photos, please have a look on Falcons class page. I am sure you will all join me in offering a huge thank you to Mrs Rae, Miss Cuthbertson and Miss Kearvell who accompanied the children this week and made sure they have enjoyed every second!

Back in school things have been equally exciting and hard work in equal measure. Voyagers have been busy exploring haikus and limericks and having a go at writing their own! Buccaneers have hosted a science afternoon to show off their amazing investigations (see the photos below), whilst the Y2's have worked incredibly hard throughout the week completing their SATS papers.

As we approach the last week of term, our thoughts are turning to all the exciting events we have planned for the summer, being kicked off at the end of next week with our jubilee celebrations! Please do check the dates of upcoming events on the website and get those dates in your diaries and look out for details of the jubilee celebrations also coming home today.

I hope you all have a fabulous weekend,
Mrs Cartwright

Buccaneers Science Afternoon:

JUBILEE CELEBRATIONS

On Friday 27 May we will be having a non-uniform day - wear red/white/blue for a donation of £1. In the morning the children will be taking part in whole school art, followed by an afternoon tea party - hopefully outside followed by country dancing. We would like parents to donate cakes for the tea party and bring to school on Thursday if possible.

Buccaneers Class would like: toy cars and old curtains or material to make dens with if you have any at home you could donate. Thank you

SHINE AND STAR AWARDS:

Congratulations to the following children for winning either the Star or Shine award this week:

Buccaneers: Shine: Inspire award to Darcie – she never gives up especially in phonics especially with her reading. She works so hard and is an inspiration to others. **Star:** Leo – so amazed with his imaginative writing this week, he worked so hard and wrote independently. He didn't want help he wanted to do it all himself and he made me very proud.

Hurricanes: Shine: Henry for trying hard and inspiring others to. **Star:** Hunter for always sitting nicely and smiling.

Hercules: Shine: All year 2's for inspirational attitude during SATs. **Star:** Archie for working hard and always smiling.

Voyagers: Shine: Lucy Wi for having a positive attitude. **Star:** Charlie B for playing nicely in the playground with everyone.

Congratulations also to the following:

Reader of the Week: Tyler in Buccaneers - He always reads 5 times a week and sometimes even more and his progress in reading has been amazing because he works so hard.

Mathematician of the Week: Anwen in Voyagers

Writer of the Week: Harry B in Hurricanes
