

Dear parents/carers,

I hope you all enjoyed the Jubilee celebrations and the additional Bank Holidays. I have to say, Paddington meeting the Queen was my personal highlight!

As ever, we have had a busy week at school. I have enjoyed reading with some children this week and have been impressed when watching some whole class reading sessions – it is great to see so many children engrossed in their reading, discussing their ideas and understanding.

The last term of a school year is always busy and we have lots to look forward to – Sports Day, a production by Voyagers and Falcons, Leavers Assemblies, transition days....the list goes on. Please see below for dates and times. Any dates/times not included below will be confirmed as soon as possible.

Have a lovely weekend
