a Can you rewrite the sentence below as direct speech?

The shop assistant told him that the cost was six pounds exactly.

Accept direct speech with the reporting clause either before or after the inverted commas, e.g. The shop assistant politely said, "That'll be six pounds exactly." OR "That'll be six pounds exactly," said the shop assistant politely.

c Students Cook & Serve Grandparents!

Why is this newspaper headline ambiguous?

Accept an explanation about how the headline could be misconstrued and its readers may think that the students are actually cooking and serving their grandparents as food!

b Write a sentence using the commonly-confused homophone word 'practise'.

Accept any sentence where 'practise' is used in the correct context as a verb, e.g. The parkour instructor told Tessa to practise more if she wanted to complete the difficult jump.
